

Foundation  
Community Events  
offer discounted tickets  
AND raise money for  
Douglas County  
Schools!

Take advantage of these exciting opportunities to enjoy fun experiences with friends and family while supporting your local community. A portion of each ticket sold will be donated back to DC Schools.

In the 2016-17 school year, nearly \$10,000 was distributed directly to schools for their participation in our Community Events. Additional funds went to provide grant support to our students, teachers and classrooms. If you're looking for affordable family fun and want to raise some money for your school, participate in one of the many Community Events brought to you by the Foundation!
