

GIRLS & WOMEN IN SPORTS LUNCHEON

National Girls and Women in Sports Day was chartered by the U.S. Congress in 1986 to honor female athletic achievement and recognize the importance of sports participation for all girls and women. Douglas County School District Office of Athletics and Activities, along with The Foundation for Douglas County Schools, is excited to honor middle and high school girls who have been selected by their schools for their achievement and character. In addition, we will recognize high school alumni and coaches who have established strong traditions in our county. Please join us in honoring our athletes.
